LEGENDARY  
PERFORMANCE™

Classic Collection

Super 55 | 55SH Series II | 520DX | 545SD | 565SD

## Vintage Icons

### Giving voice to artists and leaders for generations

Built to meet the demands of regular stage, studio or personal use, the timeless style and cultural significance of the Classic Collection embody the rock & roll and rhythm & blues sounds they made famous.

## Super 55 Deluxe Vocal Microphone

The Super 55 combines the unmistakable design of the 55SH Series II, with a contemporary improvement in audio performance. Ideal for stage, studio recording, or podcasting applications.

- Tailored frequency response for natural vocals and speech
- Supercardioid polar pattern
- High gain-before-feedback and excellent off-axis rejection
- Shock mounted cartridge minimizes handling noise
- Rugged metal construction resists wear and abuse
- Integrated swivel stand mount
- Iconic chrome-plated design with vibrant blue color
